|--|--|-------------------|---|
| | | | the workplace will contact the Public Health Authority to discuss the case, identify people who have been in contact with them and will take advice on any actions or precautions that should be taken |
| | | Track and Trace | QR codes are available throughout the premises for those wishing to use the NHS track and trace app. Alternatively guests can text 'TRACE' to a short code number to register their visit if they have not booked. If the guest does not want/is not able to do either of these, a staff member will make a note of their name, time of arrival and phone number. This information is printed on all the menus given to customers. This information will be stored for 21 days. |
| | | Mental Health | Regular communication of mental health information and open-door policy for those who need additional support. Management will promote mental health & wellbeing awareness to staff during the Coronavirus outbreak and will offer whatever support they can to help. |
| | | Air Conditioning | Advise from UK Gov HSE: 'The risk of air conditioning spreading coronavirus (COVID-19) in the workplace is extremely low. You can continue using most types of air conditioning system as normal. But, if you use a centralised ventilations system that removes and circulates air to different rooms it is recommended that you turn off recirculation and use a fresh air supply. You do not need to adjust air conditioning systems that mix some of the extracted air with fresh air and return it to the room as this increases the fresh air ventilation rate.' |
| | | Outside Play Area | Remains open as directed by the government. |
